

Gain access to the most powerful design professionals in the industry.

30th Annual Interiors Awards *the first, the only, the original*

Cipriani at 42nd Street, New York City

January 30, 2009

Started in 1979, this is the most renowned and respected annual recognition of excellence in commercial design. Every year, more than 600 design professionals come together at the Interiors Awards Breakfast to pay tribute to the year's winning design teams and the Designer of the Year.

Contract: Design Forum

Fall 2009

We set the stage for two of your executives to meet powerful corporate design advocates and the industry's most influential designers. Explore ideas you can use, make new contacts, and build relationships. Meet face-to-face to explore critical issues that impact the business of design.
