**Company:** Inscape

**Product:** Fronté

**Category:** Walls: Movable

Fronté glass-front, floor-to-ceiling walls provide up to 72-in.-wide glazed façade and frameless glass barn doors. Fronté is less than 2.5 in. thick, and it differentiates itself as a movable glass storefront.

**From the jury:**

Floor-to-ceiling movable easel—it's a simple kit of parts.

Pretty clean sight lines.

Excellent—able to change out in a few hours.

Great system of parts to create a wall—great idea.

Very nice details and aesthetics.
